Please call your insurance company to confirm Valleywise Health and your doctor is part of your covered benefit. Your membership card has the number to contact for customer service help.

Valleywise Health is a participating provider with the Arizona Care Network, an Accountable Care Organization, that in conjunction with your insurance company, such as Bright Health, work together to share important medical information that will help them provide you with improved care more efficiently. When your physician has easy access to test results, prescriptions other doctor's notes, it makes it easier for your doctors to share crucial medical information, eliminate duplicate tests, prevent medical errors and arm them with the knowledge they need to keep you healthy.
