### **Policy:**

It is the policy of the Board of Directors that the Maricopa County Special Health Care District will not grant discounts against billed charges to employees, physicians, residents, students or other individuals unless there is an approved District policy setting forth parameters, including but not limited to a District financial assistance discount policy for the uninsured/underinsured or if required by law. Discounts are not granted because of the position or influence that the individual or entity may hold.

Management may approve discounts on a limited basis in those situations where the District may be responsible for actions or events causing a patient to incur additional charges that would not have occurred otherwise.

Discounts against billed charges can be granted based on contractual agreements with third party payers, including managed care companies. Discounts may also be granted on a case-by-case basis for quick payment of bills.
