BUSINESS ASSOCIATE AGREEMENT

This Agreement sets out the responsibilities and obligations of _____ (“Business Associate” or “Associate”) as a business associate of the Maricopa County Special Health Care District, d.b.a. Valleywise Health, a covered entity, under the Health Insurance Portability and Accountability Act (“HIPAA”), the Health Information Technology for Economic and Clinical Health (“HITECH”) Act, and pursuant to the Contract or Engagement Letter between Associate and Valleywise Health.

Valleywise Health may make available and/or transfer to Associate Protected Health Information (“PHI”) of individuals in conjunction with Services, which Associate will use or disclose only in accordance with this Agreement. Associate and Valleywise Health agree to the terms and conditions of this Agreement in order to comply with the use and handling of PHI under the HIPAA Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subpart E (“Privacy Standards”) and the HIPAA Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C (“Security Standards”), both as amended from time to time. Unless otherwise provided, all capitalized terms in this Agreement will have the same meaning as provided under the Privacy Standards and Security Standards. Associate and Valleywise Health will comply with the terms of this Agreement for the duration of the Contract or Engagement Letter and for such other continuing periods as provided in this Agreement. Upon the compliance date of any final regulation or amendment to final regulation promulgated by the Secretary of Health and Human Services that affects Associate’s use or disclosure of PHI, the parties agree to take such reasonable action as is necessary to amend this Agreement in order for Valleywise Health to comply with such final regulation or amendment to final regulation.

Definitions for terms in this Agreement:

1. **Business Associate or Associate** means an entity that creates, receives, maintains, or transmits PHI for a function or activity on behalf of a Covered Entity, regulated by Subchapter C of Title 45 of the Code of Federal Regulations. In addition, an Associate can be an entity that provides data transmission services to a Covered Entity, is more than a mere conduit of information, and allows a Covered Entity to access the maintained information in a manner beyond a random or infrequent basis. The terms “Business Associate”,

**ATTACHMENT G
90-22-277-RFQ**

“Associate” and “Contractor” are synonymous. Notwithstanding this definition, if Contractor does not have access to or create Protected Health Information under this Contract, Contractor is not an Associate, and the terms of this Agreement do not apply to Contractor.

2. **Contractors of Business Associate** means a person or an entity to whom an Associate delegates a function, activity, or service that the Associate has agreed to perform for a Covered Entity. A contractor of an Associate which creates, receives, maintains, or transmits personal health information on behalf of the business associate is itself a Business Associate and therefore will comply with the terms of this Agreement. For purposes of this Agreement the term “Contractor” includes the Contractor, its employees, its subcontractors, and its agents.
3. **Protected Health Information (“PHI”)** means the health information that is created or received by a Covered Entity; and relates to the physical condition, mental health, or other health condition of an Individual, or to the provision of health care to the Individual (including but not limited to the payment for such health care); and identifies or can be used to identify the Individual as defined in 45 C.F.R. § 160.103.
4. **Individual** shall have the meaning set forth in 45 CFR §160.103, including a person who is the subject of the Protected Health Information, and shall include an individual or entity who qualifies as a personal, legal representative of the person, as the context requires.
5. **Privacy Rule** shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, Subparts A and E, as may be amended, modified, or superseded, from time to time.
6. **Security Rule** shall mean the Standards for Security of Individually Identifiable Electronic Health Information at 45 CFR Parts 160 and 164, Subparts A, C and E, as may be amended, modified, or superseded, from time to time.
7. **Breach** shall mean the acquisition, access, use or disclosure of Protected Health Information in a manner not permitted by the HIPAA Privacy Rule, that compromises the security or privacy of the Protected Health Information as defined, and subject to the exception given to such term in 45 C.F.R. § 164.402.
8. **Breach Notification Rule** shall mean the interim final rule related to breach notification for unsecured protected health information at 45 C.F.R. Parts 160 and 164.
9. **Covered Entity** shall have the meaning given to such term in 45 C.F.R. § 160.103.
10. **Designated Record Set** shall have the meaning given to such term under the Privacy Rule at 45 C.F.R. § 164.501.
11. **Security Incident** shall have the meaning given to such phrase under the Security Rule at 45 C.F.R. § 164.304.
12. **Unsecured PHI** shall have the meaning given to such phrase under the Breach Notification Rule at 45 C.F.R. § 164.402.
13. **Electronic Protected Health Information or ePHI** shall have the same meaning given to such term under the Security Rule, including, but not limited to, 45 C.F.R. § 160.103.
14. **Electronic Media** shall have the same meaning given to such term in 45 C.F.R. § 160.103.
15. **Health Information Technology for Economic and Clinical Health (HITECH) Act**, as codified at 42 U.S.C. §§ 17921-17954.

**ATTACHMENT G
90-22-277-RFQ**

16. **Secretary** shall mean the Secretary of the Department of Health and Human Services or his or her designee.

It is agreed by and between the parties that:

1. **Uses and Disclosures of Protected Health Information.** Associate will use and disclose PHI only for those purposes necessary to perform its duties, obligations, and functions under the Contract, or as otherwise expressly permitted in this Agreement or as required by other law.
 - a. Associate will not use or further disclose any PHI in violation of this Agreement.
 - b. Associate may use PHI to perform data aggregation services as permitted by 45 C.F. R. § 164.504(e) (2) (i) (B).
 - c. Associate agrees that anytime it provides PHI received from Valleywise Health to a Contractor, its employees, subcontractor, or agent to perform Services for Valleywise Health, Associate first will enter into a contract with such Contractor, employees, subcontractor, or agent that contains the same terms, conditions, and restrictions on the use and disclosure of PHI as contained in this Agreement.
 - d. If Associate maintains a Designated Record Set, Valleywise Health will provide Associate with copies of applicable policies and procedures, which the Associate will comply with as related to an individual's right to access PHI; request an amendment to PHI; request confidential communications of PHI; or request an accounting of disclosures of PHI.
2. **Associate Use or Disclosure of Protected Health Information for its Own Purposes.** Associate may use or disclose PHI received from Valleywise Health for Associate's management and administration, or to carry out Associate's legal and contractual responsibilities. Associate may disclose PHI received from Valleywise Health to a third party for such purposes only if:
 - a. The disclosure is required by law; or
 - b. Associate secures written assurance from the receiving party that the receiving party will: (i) hold the PHI confidentially; (ii) use or disclose the PHI only as required by law or for the purposes for which it was disclosed to the recipient; and (iii) notify the Associate of any breaches in the confidentiality of the PHI.
 - c. Associate may use and disclose de-identified health information, if (i) the use is disclosed to Valleywise Health and permitted by Valleywise Health in its sole discretion, (ii) that the de-identification is in compliance with 45 C.F.R. § 164.502(d), and (iii) the de-identified health information meets the standard and implementation specifications for de-identification under 45 C.F.R. § 164.514(a) and (b).
 - d. Associate shall use and disclose PHI only to the extent reasonably necessary to accomplish the intended purpose of such PHI.
3. **Safeguards.** Associate will implement and maintain appropriate safeguards to prevent any use or disclosure of PHI not otherwise permitted in this Agreement.

**ATTACHMENT G
90-22-277-RFQ**

- a. Associate also will implement administrative, physical, and technical safeguards to protect the confidentiality, integrity, and availability of any electronic protected health information (“e-PHI”), if any, that Associate creates, receives, maintains, and transmits on behalf of Valleywise Health.
 - b. Upon request of Valleywise Health, Associate will provide evidence to Valleywise Health that these safeguards are in place and are properly managed.
4. **Reports of Improper Use or Disclosure of Secure or Insecure Protected Health Information and of Security Incidents and Breaches.** Associate will report in writing to Valleywise Health any use or disclosure of PHI, including any breach, not permitted by the contract between Associate and Valleywise Health within five (5) days of Associate’s learning of such use, disclosure, or breach or within five (5) days following the exercise of reasonable diligence would have known of the improper use, disclosure, or breach.
5. **Mitigation of potential harmful effects.** Associate shall mitigate all potential harmful effects of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Agreement. Immediately following the Associate’s discovery of a Breach (or upon the Associate’s reasonable belief that a Breach has occurred), Associate shall provide Valleywise Health with sufficient information to permit Valleywise Health to comply with the Breach notification requirements set forth at 45 C.F.R. §164.400 et seq.
 - a. Specifically, if the following information is known to (or can be reasonably obtained by) the Associate, Associate will provide to Valleywise Health all available information that Valleywise Health is required to include in its notification to the individual pursuant to the Breach Notification Rule, including but not limited to:
 - i. contact information for individuals who were or who may have been impacted by the Breach (e.g., first, and last name, mailing address, street address, phone number, email address);
 - ii. a brief description of the circumstances of the Breach, including the date of the Breach, the date of discovery of the Breach, and the identity of who accessed and received the Unsecured PHI;
 - iii. a description of the types of unsecured PHI involved in the Breach (e.g., names, social security number, date of birth, address(s), account numbers of any type, disability codes, diagnostic and/or billing codes and similar information);
 - iv. a brief description of what the Associate has done or is doing to investigate the Breach, mitigate harm to the individual impacted by the Breach, and protect against future Breaches; and
 - v. contact information for a liaison appointed by the Associate with whom Valleywise Health may ask questions and learn additional information concerning the Breach.
 - b. Following a Breach, Associate will have a continuing duty to inform Valleywise Health of new information learned by Associate regarding the Breach, including but not limited to the information described in items (1) through (5), above.
 - c. Associate also will report in writing to Valleywise Health any Security Incident (successful or unsuccessful) of which Associate becomes aware within five (5) business days of Associate learning of such use or disclosure.

**ATTACHMENT G
90-22-277-RFQ**

Specifically, Associate will report to Valleywise Health any unauthorized access, use, disclosure, modification, or destruction of e-PHI or interference with system operations in an information system containing e-PHI of which Associate becomes aware, provided that:

- i. such reports will be provided only as frequently as the parties mutually agree, but no more than once per month; and
 - ii. if the definition of “Security Incident” under the Security Standards is amended to remove the requirement for reporting “unsuccessful” attempts to use, disclose, modify, or destroy e-PHI, the portion of this Section 5 addressing the reporting of unsuccessful, unauthorized attempts will no longer apply as of the effective date of such amendment.
6. **Obligations Regarding Associate Personnel.** Associate will appropriately inform all of its employees, agents, representatives, members of its workforce, and Contractors, its employees, subcontractors, or agents of Associate (“Associate Personnel”), whose services may be used to satisfy Associate’s obligations under the Contract and this Agreement of the terms of this Agreement. Associate represents and warrants that the Associate Personnel are under legal obligation to Associate, by contract or otherwise, sufficient to enable Associate to fully comply with the provisions of this Agreement. Associate will maintain a system of sanction for any Associate Personnel who violates this Agreement.
7. **Access to Protected Health Information.**
 - a. **Valleywise Health Access.** Within five (5) business days of a request by Valleywise Health for access to PHI received from Valleywise Health, Associate will make requested PHI available to Valleywise Health.
 - b. **Patient Access.** If a Patient requests access to PHI directly from Associate, Associate will within five (5) business days forward such request in writing to Valleywise Health. Valleywise Health will be responsible for making all determinations regarding the grant or denial of a Patient’s request for PHI and Associate will make no such determinations. Only Valleywise Health will release PHI to the Patient pursuant to such a request.
8. **Amendment of Protected Health Information.**
 - a. **Valleywise Health Request.** Within five (5) business days of receiving a request from Valleywise Health to amend an individual’s PHI received from Valleywise Health, Associate will provide such information to Valleywise Health for amendment. Alternatively, if Valleywise Health request includes specific information to be included in the PHI as an amendment, Associate will incorporate such amendment within five (5) business days of receipt of the Valleywise Health request.
 - b. **Individual Request.** If an individual makes a request for amendment directly to Associate, Associate will forward within five business days such request in writing to Valleywise Health. Valleywise Health will be responsible for making all determinations regarding amendments to PHI and Associate will make no such determinations.
9. **Accounting of Disclosures; Requests for Disclosure.**
 - a. **Disclosure Records.** Associate will keep a record of any disclosure of PHI received from Valleywise Health that Associate makes to its employees, subcontractors, and agents, or other third parties other than:

**ATTACHMENT G

- (2) Disclosures to others to assist Valleywise Health in paying claims;
- (3) Disclosures to others to assist Valleywise Health in conducting its health care operations, as defined in 45 C.F.R. § 164.501; or
- (4) Disclosures made pursuant to an individual's Authorization.

Associate will maintain this disclosure record for six (6) years from the termination of this Agreement.

Associate also agrees to maintain necessary and sufficient documentation of Disclosures of Protected Health Information as would be required for Valleywise Health to respond to a request by an individual for an accounting of Disclosures, in accordance with 45 CFR 164.528.

b. **Data Regarding Disclosures.** For each disclosure for which it is required to keep a record under paragraph 8(a), Associate will record and maintain the following information:

- (1) The date of disclosure;
- (2) The name of the entity or person who received the PHI, and the address of such entity or person, if known.
- (3) A description of the PHI disclosed; and
- (4) A brief statement of the purpose of the disclosure.

c. **Provision to Valleywise Health.** Associate will provide to Valleywise Health its record of disclosures under paragraph 8(a), if any, within thirty days of each disclosure. Within five business days of receiving a notice from Valleywise Health of an individual's request for an accounting, Associate also will provide to Valleywise Health its disclosure record.

d. **Patient Request to Associate.** If a Patient requests and accounting of disclosures directly from Associate, Associate will forward the request to Valleywise Health within five (5) business days of Associate's receipt of the request and will make its records of disclosures available to Valleywise Health as otherwise provided in this Section. Valleywise Health will be responsible to prepare and for delivery of the records of disclosure to the Patient. Associate will not provide an accounting of its disclosure directly to the Individual.

10. **Notice of Privacy Practices.** Valleywise Health shall provide Associate a copy of its Notice of Privacy Practices ("Notice") in accordance with 45 C.F.R. § 164.520 as well as any changes to the Notice. If Valleywise Health' Notice specifically affects Associate's use or disclosure of PHI, Valleywise Health shall inform Associate of the specific limitations. Associate shall abide by the limitations of Valleywise Health' Notice that affects its use or disclosure of PHI of which it has been specifically informed. Any use or disclosure permitted by this Agreement may be amended by changes to Valleywise Health' Notice if Valleywise Health specifically informs Associate of the amendment: provided, however, that the amended Notice shall not affect permitted uses and disclosures on which Associate relied prior to receiving notice of such amended Notice.

11. **Access to Books and Records.**

**ATTACHMENT G
90-22-277-RFQ**

 - b. **Government Access.** Associate will make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Associate on behalf of, Valleywise Health available to the Secretary of the Department of Health and Human Services to the extent required for determining compliance with the Privacy Standards. Notwithstanding this provision, no attorney-client, accountant-client, or other legal privilege will be deemed waived by Associate or Valleywise Health as a result of this Section.
12. **Termination.** Valleywise Health may immediately terminate the Contract, if any and this Agreement upon written notice to Associate if Valleywise Health determines that the Associate or subcontractor(s) or agent(s) of Associate has breached a material term of this Agreement. Alternatively, Valleywise Health may elect to provide Associate with written notice of Associate's or subcontractor(s)' or agent(s)' of Associate breach of any term or condition of this Agreement and afford Associate the opportunity to cure the breach to the satisfaction of Valleywise Health within thirty (30) days of the date of such notice. If Associate fails to timely cure the breach, as determined by Valleywise Health at its sole discretion, Valleywise Health may terminate the Contract and this Agreement.
13. **Return or Destruction of Protect Health Information.**

Associate will not maintain or keep in any form or format any portion of such PHI. Alternatively, Associate may, upon Valleywise Health written consent, destroy all such PHI and provide written documentation of such destruction. The requirement to return or destroy such PHI will apply to all agents or subcontractors of Associate. Associate will be responsible for recovering any PHI from such agents or subcontractors. If Associate cannot obtain the PHI from any agent or subcontractor, Associate will so notify Valleywise Health and will require that such agents or subcontractors directly return PHI to Valleywise Health or otherwise destroy such PHI, subject to the terms of this Section.
 - b. **Alternative Measures.** If Associate believes that returning or destroying PHI at the termination of the Contract or this Agreement is infeasible, it will provide written notice to Valleywise Health within five (5) business days of the effective date of termination of this Agreement. Such notice will set forth the circumstances that Associate believes makes the return or destruction of PHI infeasible and the alternative measures that Associate recommends for assuring the continued confidentiality and security of the PHI. Valleywise Health promptly will notify Associate of whether it agrees that the return or destruction of PHI is infeasible. If Valleywise Health agrees that return or destruction of PHI is infeasible, Associate agrees to extend all protections, limitations, and restrictions of this Agreement to Associate's use or disclosure of PHI retained after termination of this Agreement and to limit further uses or disclosures to those purposes that make the return or destruction of the PHI infeasible. Any such

extended protections, limitations and restrictions will apply to any agents or subcontractors of Associate for whom return, or destruction of PHI is determined by Valleywise Health to be infeasible. If Valleywise Health does not agree that the return or destruction of PHI from Associate or its agents or subcontractors is infeasible, Valleywise Health will provide Associate with written notice of its decision, and Associate, its agents and subcontractors will proceed with the return or destruction of the PHI pursuant to the terms of this Section within fifteen (15) days of the date of Valleywise Health notice.

14. **Restrictions on Use or Disclosure of Protected Health Information.** If Valleywise Health advises Associate of any changes in, or restrictions to, the permitted use or disclosure of PHI received from Valleywise Health, Associate will restrict the use or disclosure of such PHI consistent with the Valleywise Health instructions.

16. **Compliance with the HITECH Act.** Associate will comply with the requirements of Title XII, Subtitle D of the Health Information Technology for Economic and Clinical Health (HITECH) Act, codified at 42 U.S.C. §§ 17921-17954, which are applicable to Associates, and will comply with all regulations issued by the Department of Health and Human Services (HHS) to implement these referenced statutes, as of the date by which Associates are required to comply with such referenced statutes and HHS regulations.
 - a. Associate will make a report to the Valleywise Health of any breach of unsecured protected health information, as required by 42 U.S.C. § 17932(b), within five (5) business days of Associate's discovery of the breach. 17. **Miscellaneous.**

 - b. **Construction of Terms.** The terms of this Agreement will be construed in light of any applicable interpretation or guidance on the Privacy Standards and Security Standards issued by the Department of Health and Human Services and other applicable state or federal laws, rules and regulations as amended from time to time.

Notwithstanding any provisions to the contrary, however, Valleywise Health retains the right to assign or delegate any of its rights and obligations hereunder to any of its wholly owned subsidiaries, affiliates, or successor companies. Assignments made in violation of this provision are null and void.

- e. **No Waiver.** Failure or delay on the part of either Party to exercise any right, power, privilege or remedy hereunder shall not constitute a waiver thereof. No provision of this Agreement may be waived by either Party except by a writing signed by an authorized representative of the Party making the waiver.
- f. **Severability.** The provisions of this Agreement shall be severable, and if any provision of this Agreement shall be held or declared to be illegal, invalid, or unenforceable, the remainder of this Agreement shall continue in full force and effect as though such illegal, invalid, or unenforceable provision had not been contained herein.
- g. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with regard to the Privacy Standards and Security Standards, there are no understandings or agreements relating to this Agreement that are not fully expressed in this Agreement and no change, waiver or discharge of obligations arising under this Agreement will be valid unless in writing and executed by the party against whom such change, waiver or discharge is sought to be enforced.
