

Community Partnership

Community partnership at Valleywise is about more than service – it's about connection. Through giving, advocacy, and shared purpose, we strengthen our ties to each other and the communities we serve.

Heart of Valleywise

Valleywise Health Foundation is the Phoenix-based non-profit dedicated to providing financial support for critical patient and program needs. Our employee giving program celebrates the impact of Valleywise Health and our culture of philanthropy.

Arizona Tax Credit

Donations to the Valleywise Health Foundation qualify for the Arizona Charitable Tax Credit.

Rainbow Warriors

Rainbow Warriors is a voluntary LGBTQ+ Employee Resource Group that is dedicated to celebrating and supporting our diverse community of employees, providing tools for success and advocating for diversity, equity and inclusion.

And there's more – because you deserve more!

- Our annual Backpack Drive provides backpacks and school supplies to students in Maricopa's most vulnerable communities.
- A Night in the Valley is our largest annual philanthropic event of the year, raising money and celebrating our healthcare heroes.
- The annual golf tournament is more than a game – it's a chance to support life-changing work for the community we serve.
- Our quarterly blood drives give you the chance to save lives and support our community without leaving campus.
